## Notes:

(a) Non convertible debentures ("NCDs") and secured term loans are secured by first pari passu charge on Property, Plant and equipment (including capital work in progress ) of the Company (excluding Property, Plant and Equipment acquired on merger approved by NCLT vide its order dated March 21, 2024).

(b) Secured Working capital loans are secured by first pari passu charge on current assets and second pari passu charge on Property, Plant and Equipment (including Capital work in progress) of the Company therefore these loans have not been considered in column F.

(c) The Security coverage ratio is calculated for first pari passu charge holders (NCDs + Term loans + Accrued interest).

(d) Justification for not providing Market value as on December 31, 2024: As total value of Property, Plant and equipment (Including Capital work in progress) of the Company comprising of numerous individual assets have been offered as security, book value as on December 31, 2024 has been considered as fair value. However, valuation report for market value of Property, Plant and Equipment for valuation as on December 09, 2024 has already been submitted to the Debenture Trustee.

(e) Column I has been added pursuant to paragraph 1.9 of Chapter V of Circular No. SEBI/HO/DDHS-PoD3/P/CIR/2023/46 dated May 16, 2024 issued by SEBI.
