1. This report is issued in accordance with the terms of our engagement letter dated July 24, 2024.
2. The accompanying Statement of Security Cover as mentioned in Clause 11.2 of the Debenture Trust Deed (the "Agreement") dated March 16, 2021 (the "Statement") has been prepared by the management of Jindal Saw Limited (the "Company") as at June 30, 2024 pursuant to Regulation 56(1) (d) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, (as amended) read with Circular SEBI/HO/MIRSD/MIRSD_CRADT/CIR/P/2022/67 dated May 19, 2022 (together referred to as the "Listing Regulations, 2015").

Management's Responsibility for the Statement

3. The preparation of the Statement is the responsibility of the Management of the Company including the creation and maintenance of all accounting and other records supporting its contents. 4. The Management is also responsible for ensuring that the Company complies with the requirements of the Listing Regulations, 2015 and the Agreement, and it provides all relevant, complete and accurate information as required therein.

Auditors' Responsibility

5. Pursuant to the Listing Regulations, 2015, it is our responsibility to examine the Statement and to report based on our procedures performed as described in paragraph 9 below, whether anything has come to our attention that causes us to believe that the book values of the assets specified in columns A to H in the Statement prepared by the Company are not in agreement with the underlying books and relevant records of the Company as at June 30, 2024, as produced to us by the Management during the course of our examination.

9. In carrying out our examination as described in paragraph 7 above, we have carried out the following procedures:
 - Traced the financial information contained in Columns A to Columns H of Statement with underlying unaudited books and records of the company as at June 30, 2024 as provided by the Management;
 - Verified that the formula for the Security Cover is as defined by Securities Exchange Board of India vide circular SEBI/HO/MIRSD/MIRSD_CRADT/CIR/P/2022/67 May 19, 2022 and
 - Verified the mathematical accuracy of the Security Cover Ratio calculated in the Statement.

For avoidance of doubt, we clarify that we were not required to, and have not performed any procedures on the information included in columns I to O of the accompanying statement and the same is furnished by the management of the Company.

The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement; and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.

Conclusion

10. Based on our examination as described in paragraph 7 and procedures performed as described in paragraph 9 above, and according to the information and explanations given to us, we report that nothing has come to our attention that causes us to believe that the book values of the assets specified in columns A to H in the Statement prepared by the Company are not in agreement with the underlying books and relevant records of the Company as at June 30, 2024 as produced to us by the Management during the course of our examination.

Notes:

- (a) Non convertible debentures ("NCDs") and secured term loans are secured by first pari passu charge on Property, Plant and equipment (including capital work in progress) of the Company (excluding Property, Plant and Equipment acquired on merger approved by NCLT vide its order dated March 21, 2024).
- (b) Secured Working capital loans are secured by first pari passu charge on current assets and second pari passu charge on Property,Plant and Equipment (including Capital work in progress) of the Company therefore these loans have not been considered in column F.
- (c) The Security coverage ratio is calculated for first pari passu charge holders (NCDs + Term loans + Accrued interest).
- (d) Justification for not providing Market value as on June 30, 2024: As total value of Property, Plant and equipment (Including Capital work in progress) of the Company comprising of numerous individual assets have been offered as security, book value as on June 30, 2024 has been considered as fair value. However, valuation report for market value of Property, Plant and Equipment for valuation as on March 31, 2021 has already been submitted to the Debenture Trustee.
